WE'RE HIRING AN ECOMMERCE INTERN

HERE'S YOUR CHANCE TO SHINE!

Cleanis is a small business based in Carrollton, TX, specialized in development, production and distribution of innovative medical devices. We are in charge of distributing in the US unique products for hygiene and body care, which can be used by a wide variety of customers from local hospitals to large national chain of drugstores.

The job responsibilities will include tasks such as:

- **Content creation** on several platforms (Amazon, Walmart.com, Shopify...)
- Contribution to **market research** and **product development**
- **Advertising** campaigns management
- **Reporting** on performance and logistics
- General business support as needed

You will have the opportunity to work with key players of the ecommerce industry and develop skills in various aspects of ecommerce: Business strategy, marketing, advertising, merchandising, logistics and more. You will get meaningful real-world work experience, exposure to executive leadership, and frequent coaching and feedback from your manager.

**START AND END DATES ARE FLEXIBLE**

The ideal candidate is:

- Pursuing a bachelor or master degree in business, digital retailing, or marketing (required)
- Has a first experience in digital marketing retail, or entrepreneurship (preferred)

Salary: $1000/month for 24 hours a week
