By initialing below, I agree to the roles and responsibilities to uphold my end of the advising partnership:

_____ I understand that EagleConnect is the official UNT email system for students and it is my responsibility to check my email on a regular basis as this is the email the CMHT Advising Office is required to use.

_____ To be in good standing at UNT, I must maintain a 2.0 UNT GPA. If my UNT GPA falls below a 2.0, I understand that I will be put on academic probation or suspension and have mandatory advising.

_____ I understand that all CEXM, CMHT, DRTL, HFMD, HMGT, MDSE, and RETL courses require a grade of C or higher, as well as ACCT 2010 and the core Math requirement.

_____ It is my responsibility to check ALL course prerequisites before registering and to be in compliance with catalog policies and requirements.

_____ I understand that if I fail to take or do not pass a required course or a prerequisite for a required course, it may delay my anticipated graduation date.

_____ I recognize that UNT’s duplication policy states that only the first attempt is removed from my GPA and that the second and all subsequent attempts are permanent in my GPA.

_____ Should I choose to take classes outside of UNT, it is my responsibility to check with my advisor first to determine the transfer and application of courses. It is also my responsibility to determine how this might affect my eligibility for tuition plan incentives (Eagle Express).

_____ It is my responsibility to notify my advisor of any changes to my major/minor/catalog year.

_____ It is my responsibility to complete a graduation check appointment during the semester prior to my graduating semester.

_____ I understand that I must apply for graduation during my final semester by the deadline listed on the Registrar’s website and complete the CMHT Graduating Student Survey by the deadline given by the CMHT Advising Office.

_____ CEXM/DRTL/HFMD/MDSE/RETL majors: I understand that I must complete my internship either during my final semester or the summer before my final semester. I also recognize that I must attend a mandatory internship orientation and apply for the internship course prior to my last semester.
