Job Description: Motel General Manager

Company Background:

The Desert Air Motel is in Sanderson, TX at the edge of Big Bend Country. Sanderson is a small town (population less than 700) nestled in the hills of beautiful desert terrain. The motel was built around 1960.

In 2018, we acquired the motel and launched a comprehensive renovation project to modernize the rooms. We have also been improving the property by creating inviting shaded areas, installing a music stage, constructing a swimming pool, and improving the overall landscaping. In 2021, we purchased the neighboring motel and integrated it into the Desert Air brand. As a result, our motel now boasts a total of 32 rooms.

Our renovation efforts are set to conclude in 2024, at which point we plan to shift our focus towards promoting the motel as a venue for various events such as festivals, music gatherings, and retreats. Our vision is for the Desert Air Motel to be an iconic vacation destination for travelers heading to the Big Bend area.
